Principal's Corner

Vol. 2, No. 11

Greetings Trojans!

It was wonderful to see the many veterans that attended our Veterans Day assembly this past Friday. Lisa Hoogerhyde did a wonderful job coordinating all the efforts of students and staff. I want to especially recognize students Aspen Evans for emcee-ing the event, and Makenzie Clark and Liam Whisler for reading poems.

No school Wednesday, November 15. I am hoping for a very successful deer hunting season! As I drive carefully to work every day, I see them on the way both to and from regardless of the time of day. I would much rather they end up in someone's freezer, than the grill of my vehicle... I have hit four over the course of my lifetime. Please stay safe and alert while hunting and may your aim be true.

While we are in the middle of our middle school basketball programs, the high school programs are starting. One of my favorite times of the year. I look forward to seeing many of you as we cheer on our Trojans!

Have a great week!

PBIS School Climate & Culture Surveys

The PBIS School Climate Survey is a tool used by Central Lake Public Schools to measure student, staff, and family perceptions of school climate. Each survey is an anonymous, brief, valid, and reliable way to ask stakeholders how your school feels to them. Responses help provide the school with an overall picture of the PBIS implementation's impact on the learning, teaching, and participation in school. Students in grades 3-12, along with families, are invited to participate:

Michigan Post-Graduate Opportunities

The Michigan Department of Education (MDE) has partnered with the Michigan Department of Labor and Economic Opportunity (LEO) to enhance the Michigan Career Pathfinder (mitalent.org) Resources page with organized resources that will help students and their families review college information, find financial aid information, get a job, serve their community or country, assess their skills if unsure of their path, and explore opportunities to earn college credit or receive training in high school. Please see the following resources below, or contact Mrs. Spyhalski: spyhalski@clps.k12.mi.us
