Principal's Corner

Vol. 2, No. 12

Greetings Trojans!

A short week as I hope we all get ready to enjoy time with family and friends. Thanksgiving break is a wonderful time to reflect on all that we are blessed with.

If you are traveling, drive safely.

If you are a diehard Lions fan, there is hope.

If you are just looking for a break from daily routines, find the time to put your feet up and breathe deeply.

It will pass quickly, but we can all return recharged and ready to finish 2023!

Have a great week!

Principal Larry Rager

PBIS School Climate & Culture Surveys

The PBIS School Climate Survey is a tool used by Central Lake Public Schools to measure student, staff, and family perceptions of school climate. Each survey is an anonymous, brief, valid, and reliable way to ask stakeholders how your school feels to them. Responses help provide the school with an overall picture of the PBIS implementation's impact on the learning, teaching, and participation in school. Students in grades 3-12, along with families, are invited to participate:

Michigan Post-Graduate Opportunities

The Michigan Department of Education (MDE) has partnered with the Michigan Department of Labor and Economic Opportunity (LEO) to enhance the Michigan Career Pathfinder (mitalent.org) Resources page with organized resources that will help students and their families review college information, find financial aid information, get a job, serve their community or country, assess their skills if unsure of their path, and explore opportunities to earn college credit or receive training in high school. Please see the following resources below, or contact Mrs. Spyhalski: spyhalski@clps.k12.mi.us
