Principal's Corner

Vol. 2, No. 7

Greetings Trojans!

As we transition into fall and the spectacular colors that come with it, I count my blessings that I am fortunate to call Northern Michigan home! My family moved into this area in 1993 from the northern suburbs of Detroit. While I was thankful for the benefits of growing up near a big city, nothing compares to the beautiful area that we all enjoy every day. The folks from downstate battle the highways to make it up here to squeeze in as much fresh air and outdoor opportunities that we are spoiled with daily, only to slam trunks and rush home to return to their city lives.

Just this past week, Mr. Eggleston's classes visited the Grass River Natural Area, a quality experience that is minutes away, that a similar experience would have been hours away while I was a student downstate.

I hope everyone finds some time outside with friends, family, or in self-reflection, breathing deeply, taking in the sights, and grateful to find themselves a Central Lake Trojan. I know I will as I mow the lawn for the last time, rake leaves, prepare the house for winter, and wonder why I am not on the Golf Course...

If you have any questions or concerns, please contact me at your convenience.

Have a great week!

Principal Larry Rager

Elementary KID SAFE Fingerprinting Day: October 25, 2023

The Antrim County Sheriff's Office will be hosting their annual KID SAFE Fingerprinting day here at Central Lake. The purpose of this event is to provide parents with awareness, and the peace of mind knowing that they will have the appropriate information available if their child is lost or abducted. This information includes literature on Kids Safety, Fingerprints, and a personal photograph of the child participating in the event. This packet will then be returned to the parent/guardian for safekeeping. Permission slips were sent home in Friday Folders on 10/06/2023.

The slips do have to be returned prior to the event for your student to participate.

PBIS School Climate & Culture Surveys

The PBIS School Climate Survey is a tool used by Central Lake Public Schools to measure student, staff, and family perceptions of school climate. Each survey is an anonymous, brief, valid, and reliable way to ask stakeholders how your school feels to them. Responses help provide the school with an overall picture of the PBIS implementation's impact on the learning, teaching, and participation in school. Students in grades 3-12, along with families, are invited to participate:

OK2Say Presentation

Central Lake Public Schools will be hosting a presentation on OK2SAY – Michigan's student safety program for students on Monday, October 30th for students in grades 4-12. The program is designed to inform students how they can help make their school and community safer by reporting dangerous and concerning behaviors to a trusted adult or OK2SAY.

If you wish that your child does not attend, please return the opt-out form below by Wednesday, October 18. [Opt Out & Information Form](#)

Michigan Post-Graduate Opportunities

The Michigan Department of Education (MDE) has partnered with the Michigan Department of Labor and Economic Opportunity (LEO) to enhance the Michigan Career Pathfinder (mitalent.org) Resources page with organized resources that will help students and their families review college information, find financial aid information, get a job, serve their community or country, assess their skills if unsure of their path, and explore opportunities to earn college credit or receive training in high school. Please see the following resources below, or contact Mrs. Spyhalski: spyhalski@clps.k12.mi.us
