Principal's Corner

Vol. 2, No. 9

Greetings Trojans!

Lots of activities are coming up this week, but tough to compete with Halloween especially for our elementary students! Lots of fun and a parade on Tuesday starting at 2pm from the elementary school. While my Trick or Treating days are in my past, I am hoping that the weather will cooperate for those still in the game.

Congratulations to our football team on a great season! Thank you to all of the fans that made the trip to St. Ignace for the playoff game and what was the last time to see this outstanding senior class compete on the gridiron. Despite the rain and chilly weather, there were plenty of highlights in this game and throughout the season.

The volleyball team, with no seniors but a strong group of athletes, have competed hard all season and will start district play in hopes of again competing for a district title on Friday in Bellaire.

Have a great week!

PBIS School Climate & Culture Surveys

The PBIS School Climate Survey is a tool used by Central Lake Public Schools to measure student, staff, and family perceptions of school climate. Each survey is an anonymous, brief, valid, and reliable way to ask stakeholders how your school feels to them. Responses help provide the school with an overall picture of the PBIS implementation's impact on the learning, teaching, and participation in school. Students in grades 3-12, along with families, are invited to participate:
