Principal's Corner

Vol. 2, No. 1

Week one of the Trojan Weekly for the 2023-24 school year with 3 full days and 1 half day into the school year done.

We have begun another year of an educational journey that lasts a lifetime. Somehow I find myself still in school, while I watch students leave year after year?

Regardless of where I am, it is exciting to see students come ready to complete high school, others transitioning to the next grade level or building, and others just beginning their journey.

The hallways are again bustling with children anxious to get about their learning, friends are reconnecting, and the anticipation of what they are about to learn from their inspired teachers is electrifying-or something like that.

Nonetheless, it is great to be back and see all the growth that has occurred over the summer as children change so dramatically in so many ways. They look different, they are taller, they just look ready!

I look forward to seeing as many of you as possible at sporting events and other school functions. Thank you for making Central Lake Public Schools your choice for your child's education.

Have a great week!

Principal Larry Rager
