

SNOW REMOVAL CRITERIA

The Central Lake Public Schools Board of Education is requesting sealed bids for snow removal for the **2021-2022** fiscal years in accordance with the following instructions and specifications:

INSTRUCTIONS:

1. Sealed bids must be received at the Central Lake Public Schools Main Office, 8169 W. State St. Central Lake MI 49622 on or before 12:00 p.m., Friday, October 1, 2021.
2. All bids must be clearly marked "**SNOW REMOVAL BID**" on the face of the envelope.
3. Bids must be submitted on the attached bid form.
4. Bidders are required to meet with Jason Powell, Facilities Director, to review the specific requirements for each facility prior to submitting a bid.
5. A minimum of 3–4" snow is required to plow or whenever snow accumulation is sufficient to require county roads to be plowed. Conditions at different buildings with the district vary; therefore, it will be necessary to check each location for their plowing needs. It is important for the safety of students and employees that snow not is allowed to accumulate.
6. The contractor will be held responsible for any unnecessary damage to buildings and grounds (including shrubs, lawn, curbs and fencing) due to snow removal activities.
7. The Central Lake Public Schools' Board of Education reserves the right to reject any or all bids, and is not bound to accept low bids. The award will be made in the best interest of the district.
8. Continuation of the contract in subsequent years is dependent upon satisfactory services provided in completed contract years.
9. The Board of Education and the contractor both have the right to terminate the contract with a 60-day notice prior to July 1 of each contract year.

10. The Board of Education is expected to award the bid 11 Oct. 2021 during its regular monthly meeting.

SPECIFICATIONS

It is expected that the Contractor assumes the responsibility and possesses the proper equipment to keep the listed areas clear of snow and ice whenever it is necessary during the snow season. The Contractor is to maintain a minimum of snow and ice surface and maximum flat roadbed. Snow plowing of the entire district is required one time per day prior to opening Monday thru Friday and when the snow is over 3-4"accumulation. If the school is conducting after hour's events and needs assistance with snow removal, one of the designated school representatives will contact the Contractor.

The use of loader will only be used when approved by the designated school representatives. Our expectation is to place the snow in a location where it will not have to be moved.

This contract is only for parking lots. The contractor will not be responsible for sidewalks or salting.
